The Fiskavaig Stone:

The Board unanimously gave their approval that work by Innes Hutton on the Fiskavaig Stone replica stone could commence - this project had been badly disrupted by Covid. Innes is to begin with research into the stone itself at the National Museum of Scotland in Edinburgh. It is hoped that once the stone is completed, it can be displayed at the Minginish Hall, alongside the Eynort Stone.

Fairy Pools Grant Fund:

The Board were happy to support an application of £1,000 towards the cost of a new lawnmower by North West Skye Football Club. NWSFC has players from many areas in North Skye and as such, the other local community organisations have also contributed to this purchase.
