COMMUNITY COST-OF-LIVING CRISIS SUPPORT INITIATIVE:

To support the community of Minginish through this unprecedented cost-of-living crisis, the Board had approached the Carbost Community Shop with a proposed initiative whereby Minginish residents would be eligible for a 10% discount on groceries and household fuel bought at our local, community owned shop - Carbost Community Shop. This scheme will be funded by income generated by MCHA from its involvement with the Fairy Pools Car Park.

The Board are delighted to approve funding for this initiative and to announce that this scheme will commence at the beginning of October and will initially run through to the end of December.

COMMUNITY HOUSING:

The community housing project is ongoing, with lots of work going on in the background, getting funding applications ready to take the project forward.

School leaver's support fund

The Board were delighted to have approved 4 applications in total now from recent school leavers for this fund for items such as laptops and travel for study.
